sale @ CDS- \$20 cash only!

April 28: Photo Day

June 1: Recital 2019

February News!

Good Afternoon! I want to take a moment and wish our Cincy Stars the best of luck as they kick off their competition season this Saturday. Our team of 15 dancers have been working since August perfecting routines and we can't wait to see them shine on stage. Interested in attending? The competition takes place at Mt. St. Joe and the schedule is on the lobby board. This is a great opportunity for those interested in being considered for next years team to see the competition world and see our talented dancers perform!

We are now in the final month of our winter semester. Your last payment of the 2018-2019 season is due March 1. Spring Tuition invoices will be sent later this month and cover classes March 1- May 24.

Cincy Dance is in full recital mode now that all classes have begun choreography for our Saturday June 1 show, "I Love The 90's". To help instructors please make sure your dancers are on time and attend class regularly so they don't fall behind on choreography. I know we are in the thick of cold season too, so we ask that your dancer be 24 hours symptom free before returning to class! Each month more information about our recital will be released, so keep checking emails and flyers in the lobby. Next month a recital packet will be emailed with EVERYTHING you need to know leading up to our 11th annual show.

As always please contact the studio with any questions. Make sure you stay up to date by reading emails, monthly newsletters and checking our lobby board for announcements. See you around the studio!
