

March Newsletter

Hello,

Your dancers have been working very hard on recital choreography and we are anxious to finish these routines in the coming weeks. We are also hard at work designing our logo for "In The Summertime". Look out for that artwork as well as T-shirt and DVD order forms in the lobby next month! More detailed information about our Dress Rehearsal and Recital on Friday June 2 will be emailed to you all soon. However, mark your calendars... **Recital tickets go on sale for the first time Saturday April 22, 11am-1pm. Due to rising cost at the Taft Theatre, tickets will be \$18.00. All seating is reserved and only CASH payments will be accepted!**

Your final payment of the 2016-2017 season is now due. Spring tuition covers classes March 1-May 25. Those clients who pay in two installments your second payment is due April 15 and a \$30.00 late fee will be posted to accounts with late payments. Please contact the studio if you have any questions regarding your account.

As a reminder the studio will be closed March 27-March 31 for spring break. Classes will resume Monday April 3.

Now it is your turn to dance... We're recruiting Dads and Moms for a joint routine in the recital. This is a new concept we are doing this year and are excited to have parents participate. It's sure to be an entertaining routine! Rehearsals will be Monday's beginning April 17, 7:00-8:00pm. Please confirm your participation with me by April 1. Practices will run on that day/time for the remainder of our season.

Opening and Finale dancers your rehearsals begin next week! Copies of the schedule are hanging in the lobby but let me know if you'd like me to email it to you. Can't wait to start work on these two special routines!

Parking lot reminder: Please watch your speed as you are coming down into the parking lot. I've seen several cars not paying attention and almost hit our younger dancers as they exit the studio. Also, please don't double park in the center of the lot. We need to keep that clear so cars can easily maneuver around for pickup/drop off. I appreciate your help with this as I try to keep every dancer safe.

Lastly, Congratulations go out to the Cincy STARS! They have kicked off their competition season with multiple awards including Highest scoring routines, most entertaining, choreography and Top Studio! We'd love for you to come out and support these talented dancers at our local competition this Saturday March 4 at Mt. Saint Joe's College. If you are interested in seeing the team dance please let me know and I can send you our schedule for the day.

As always feel free to contact me with any questions. Don't forget to follow us on Facebook, Instagram and Twitter for news, photos and videos.

See you around the studio!

Thank you,

Lauren Andrews
